NC WORKS

NCWorks NextGen Centralina invites you to attend a Virtual Community Focus Group for the East Spencer Community in Rowan County. We would like your input on how NextGen Centralina can assist in meeting the needs of under-served rural areas related to lack of technology, training, and employment opportunities, while engaging

youth with the workforce system.

NextGen Centralina’s objective is to bring program services to your local areas by providing “opportunity sites” at the Town Hall in East Spencer. We are looking for community leaders to assist in designing services, spreading the word, and making the community aware of the array of services that the NCWorks Career Center offers. The focus group is slated for May 11, 2022 @ 2:00pm via WebEx.

Water Conservation Tip Check your Toilet for Leaks

Put a few drops of food coloring in your toilet tank. If, without flushing, the coloring begins to appear in the bowl, you have a leak that may be wasting more than 100 gallons of water a day.

Reminders

Just a reminder that check and change the batteries in your smoke detector every six months.
