### **Sewer Repair Work**

There will be a lot of sewer repairs within the Town in May. If you can, you may want to use other roads to traverse the area.

Pinetree: 5/1/23 – 5/5/23

### **Trash Collection**

Waste Management is the contracted company that collects the trash for the Town. Over the past three months, they have experienced a very high turnover rate that has caused the Town to have its trash collected on other days than Friday. I cannot tell you that it is going to get better, what I can tell you is that the Town is looking into other contractors that can provide the same service with a better quality of service. We will keep you informed.
