

# TOWN OF EAST SPENCER

## *“The Original Southern City”*

April 2026

**National Earth Day**

### **Town Hall Meeting**

The next Town Hall meeting will take place on **Monday April 6<sup>th</sup>,**

**2026, at 6:30pm.**

### **Meet the Manager**

Meet the Manager will take place on **Wednesday April 15<sup>th</sup>, 2026, at 6:00pm** in the Council Chambers.

### **Council Retreat**

The Council completed its annual retreat and there were some great ideas and recommendations that will benefit the community. One of the major recommendations is that the Town starts collecting for its trash services. We understand that the current contractor is not providing adequate services and as such we have the ability to start our own collections once the current contract expires.

### **Parks and Recreation**

Parks and recreation completed its First Charity Walk in March, and we would like to say thank you to the participants. More of these types of events are coming.

The Parks and Recreation program will conduct an Easter Egg Hunt on April 4<sup>th</sup>, from 9am -2pm at RGP. We also will be having our 2nd Food Truck Night of the year on April 9<sup>th</sup> at 5pm at RGP.

Tickets are available for the Charlotte Knights Baseball game for April 24<sup>th</sup>, so come get your free tickets from Town Hall today.

Please stop by Royal Giants Park and take a look at the new lights and the new field. Big things are coming, so be on the lookout.

### **Dunbar**

Thank you to all those that participated in the Dunbar discussions over the past two months. We have gained a lot of ideas and will review what is best for the Town and its residents.

### **Earth Day**

Earth Day, celebrated annually on April 22, is a global event dedicated to environmental protection and awareness. The main goal is to raise awareness about environmental issues, such as pollution, deforestation, and climate change, and to encourage actions that protect the planet for future generations.

Common Activities:

- Planting trees to restore forests.
- Cleaning up local beaches, parks, and streets.
- Educational initiatives and workshops on sustainability.
- Adopting green habits like recycling, conserving water, and reducing plastic waste.

### **Bulk Pickup**

Pickup will be April 3<sup>rd</sup>, and 17<sup>th</sup>. Please contact town hall so that we can add you to the list.
