Dr. Martin Luther King

We honor Dr. Martin Luther King Jr., whose courage, faith, and vision challenged a nation to live up to its highest ideals. He reminded us that justice requires action, love requires bravery, and change demands persistence. As we reflect on his legacy, may we recommit to service, equality, and peaceful progress. Let us speak with compassion, stand against injustice, and build communities rooted in dignity, opportunity, and hope for all. Together, we carry his dream forward today and always.

Water/Sewer Construction

We continue to make improvements with our water and sewer lines. As construction continues, there will be instances in which the roads will not be repaved immediately. When you see this, it is because they are not done with that area. Once that area is completed, the area will be repaved.

Bulk Pickup

Pickup will be January 9th, and 23rd. Please contact the town hall so that we can add you to the list.
