### **Father’s Day**

Happy Father’s Day to all the fathers, grandfathers, stepfathers, and father figures whose guidance, sacrifice, and strength help shape our families and communities. June 14<sup>th</sup>, we celebrate the men who lead with love, support with patience, and inspire through hard work and dedication. Your influence reaches far beyond and leaves a lasting impact on future generations. Thank you for the countless lessons, encouragement, and care you provide each and every day.

### **TextGov**

We have heard from you and now we are acting. To provide more immediate information to residents, the Town is incorporating a new texting service known as “textgov.” This sends out immediate alerts to all collected cell numbers in our database. You would have the ability to opt in/out if you chose to receive these alerts. Power outages, weather alerts, road closures

can be sent to everyone at moments notice so that you can make better decisions about your daily activities.

### **Survey**

We want to hear from you about Community Participation. Why are you not participating, what would it take for you to participate in local government. This survey will help your leaders facilitate getting you more involved. Scan the QR code to take the survey.
